Record Breaking AGM!

The Annual General Meeting on November 27th proved to be full of major moments in the history of the UTS Hockey club.

A record attendance of over 30 members, the election of a new Executive Committee for 2010 (including the addition of 3 women), and unprecedented numbers of appointments to committees such as juniors, men's & women's management, social and communication, has already set up 2010 as a break through year for our club.

The biggest surprise of the AGM was for our continuing club president, Paul "Zorba" Economides, who, by massive and unanimous support, has become the inaugural Life Member of UTS Hockey Club. Congratulations Zorba and thank you for all the (teal) blood, sweat and tears that you have devoted to the club over the years and in your 16 of them as President.

On behalf of the Club Executive we wish everyone, their friends and family, happy holidays! Merry Christmas & Happy New Year!

We are looking forward to seeing everyone in *January* for the start of training for the 2010 season as UTS Hockey aims for further successes.
